Jon Bamborough & Gill Jackson

A Truly Independent Voice for Anchorsholme

At the last election your local Liberal Democrats were only narrowly defeated by the Conservatives.

One of the Conservative Councillors has hung around and done a reasonable job but the other has been missing for nearly three years. Both Conservative candidates have signed to say they will obey the party whip.

Jon Bamborough & Gill Jackson are the **ONLY** candidates in Anchorsholme who are free to vote for the best interests of the residents of Anchorsholme.

Jon & Gill—The ones you see between elections!

Town Centre Chaos

Blackpool Taxi Trade apologises for delayed journeys.

“The delays are due to the detour that taxis now have to take due to the closure of the promenade in front of Blackpool Tower. This closure is resulting in your journey taking longer and costing more than it would otherwise do.”

“There used to be an alternative, shorter route available through St John’s Square, but the council executive decided to close this route to buses and taxis in July in full knowledge that in November they would be closing the promenade as well.”

Labour’s Leader Row rumbles on

Former Anchorsholme Councillor, Jon Bamborough has demanded an enquiry into the misspending of Ward Based Budgets, after Blackpool Council’s Labour Leader tried to spend the whole of the annual Brunswick ward budget of £20,000 on a Library in Park ward, when the nearer library in Layton.

Could it be that this had anything to do with the fact that his partner is seeking election in Park ward?

What is he going to do now, he has found out that he has miss-calculated and found out that he has already spent the money?

If Cllr. Blackburn can’t manage his ward budget of £10,000 a year do you really want to trust him to run a multi-million pound Council?
